

Monthly Arts Meeting  
December 10, 2019 8:30 am  
Reconsidered Goods

**WELCOME/INTRODUCTION: Laura Way, President + CEO ArtsGreensboro**

- **Paige Cox, Executive Director of Reconsidered Goods:** “About Us - The short version is that we are a non-profit that takes donated materials from manufacturers and individuals to help divert them from landing in the landfill and instead, put these materials into the hands of artists, makers, teachers and kids to create something new. Our location features a retail store, workshop space, makers’ lab, and community room for artists to meet and create together. We envision a world where all non-trash items see a second life through art and creative reuse. We see a world where nothing is used once and thrown away but reused again and again. Visit us in our new location at 2805 Patterson St, Greensboro NC 27407.” [reconsideredgoods.org/](http://reconsideredgoods.org/)
